

capabilities2_server
/include/capabilities2
_server/models/predicate.hpp

```
graph TD; A["capabilities2_server  
/include/capabilities2  
_server/models/predicate.hpp"] --> B["string"]; A --> C["yaml-cpp/yaml.h"]
```

The diagram illustrates the dependencies of the file `capabilities2_server/include/capabilities2_server/models/predicate.hpp`. Two blue arrows point from the bottom of the top box to the two boxes below it, indicating that the top file depends on the two files below.

string

yaml-cpp/yaml.h
